Quality in Every Piece

Are you looking for comfortable outdoor poly furniture to complete your patio, gazebo or to just sit and enjoy the view? Are you looking for furniture that you can entertain family and friends with and not spend your time maintaining your outdoor furniture? Sunny Side Poly is known for its craftsmanship and quality outdoor furniture all over the USA. Built with the same craftsmanship as wood furniture; poly outdoor furniture is maintenance free furniture that can be left outside all year round.

All of Sunny Side Poly's outdoor furniture is made with highest quality standards for comfort and strength.

- ◆ Frames and arms are built with 1" poly lumber
- ◆ Back and seat slats are built with 3/4" poly lumber
- ◆ A Router is used to cut out all pieces for a beautiful edging, instead of a band saw.
- ◆ Adirondacks have a boxed framed back.
- ◆ Rollback back rests are reinforced for extra stability
- ◆ Backs are designed for comfort and style.
- ◆ Seats are designed with a rolled front edge for comfortable lounging.

Tangent Poly Lumber

95% Recycled Plastic Material - Environmentally friendly product

PVC & BPA Free

No maintenance such as painting, scraping or replacing

Termite resistant

Will not crack or splinter

U.V. stabilized (fade proof)

Chairs, gliders, tables and swings are reinforced with aluminum angle braces

300 Series Stainless Steel Chrome Hardware

Resists corrosion and staining

Low maintenance

Familiar luster provides additional beauty to each piece

Customize

Sunny Side Poly LLC outdoor furniture stands-out from many outdoor poly furniture companies. The choices that you can customize are endless. Choose your chair style and cupholder. On the next two pages you will find the standards that have become a hallmark of Sunny Side Poly and the other choices to be made; from solid backs to two-tone color combinations. Finally, select from one of Tangent's array of lumber colors. All of our chairs are made with comfort in mind but for added luxury we have a variety of cushions. Do you need more outdoor furniture to customize your area? Find end tables, picnic tables, tables for dining and chairs, benches, bars and a fireplace table. So many more choices to complete the lifestyle of your dreams.

Chair Styles

Front Views

The Adirondack Style originates back to Mountains of Northeastern New York.

The Rollback style named to fit its description, features a higher back for a headrest. The back is formed for back comfort.

The Plain style is similar to the Rollback back, with the exception it has a shorter back and is not formed to the back. The arms are also narrower than other styles and there are no cupholders. This style is an economical chair with the same quality as all of our styles.

The English Garden style is a traditional back for that perfect spot in your garden to rest and watch your garden grow or as a dining chair.

The Mission style is a craftsman design.

The Madeleine. The flat back chair is comfortable and perfect for sitting on the beach or land.

The Chat Chair. The curved back is made for sitting around our Conversation Table and enjoying your favorite beverage and chatting with family & friends.
NO Cupholder

Sunny Side Poly's Standard Design

Special orders are welcome ~ 10% for Special Orders ~ Extended lead times may apply

Cupholders are Standard with Non-Dining Chairs except Plain Backs.

The **Connect a Tables** are built for Non-Dining Chairs

Adirondacks, Rollbacks and Plains Earth Tone and Tropical.

When requesting a two-color combination,
the **Backs** come with *Two-Slats* in base frame color.
A solid back maybe requested.

English Gardens

When requesting a two-color combination,
the **Back Frame** is color of base frame with
Solid slats. A solid back maybe requested.

Chat Chairs
Solid backs

Rocking Chairs & Madeleines

Solid Colors

All Wood Grain Chairs

When Requesting a two-color combination,
the **Backs** are *Solid* in color.

We do not recommend putting two-color slats on
Wood Grain unless second color is a **Wood Grain**

Tables with Outside Frame Top

Framed, Clipped Corner and Octagon Picnic
tables when requesting two - colors the center
of table will be one color and the frame and
base in other color choice.

May request solid table tops

Umbrella Holes in All Tables

Umbrella is not included.

2 Tier	33" W	44" W	60" W
3 Tier	33" W	44" W	60" W

TREADS are ONLY produced with Wood Grain

Questions & Answers

What material is our furniture made of?

Tangent provides our poly lumber. Approximately 95% is from High Density Polyethylene (HDPE), or recycled plastic milk containers.

How can it be durable and comfortable?

HDPE is a naturally flexible polymer that molds to your body for exceptional comfort. It won't crack, break, splinter or peel as our unique recipe doesn't allow it to break down or become brittle from the sun or cold. It's actually a wood substitute; making it as dense as wood and approximately 20% heavier than cedar, without the maintenance.

How do I clean the furniture?

Water will remove most soil. You may use any non-abrasive cleaner; including bleach if necessary to sanitize. A pressure washer can be used on the lightest setting to deep clean your furniture. It is not recommended to use more than 1500psi. Keep the tip of the pressure washer at least 10-12 inches away from the furniture so it does not damage the lumber.

How do I store the furniture?

Our furniture is made to withstand extreme climates and temperature changes. Whether you live in freezing cold of Minnesota, the dry desert of Arizona or the salt water of the Florida Keys; our furniture is made to last a lifetime.

Does the color fade?

Unlike most other manufacturer's the material used to fabricate our furniture is considered colorfast. It will not fade more than 3% over a 10year period; a color change that is generally not noticeable to the human eye. The color runs throughout each piece and has a UV-inhibitor incorporated into the material to minimize the chance for any discoloration.

Is assembly required?

We ship fully assembled with a few exceptions. We do offer direct ship on several items for additional costs to dealer's and their customers to all 48 states. Some assembly is required then. Ask for details.

Is the furniture made in the USA?

Yes, we are proud to say that our full product line is manufactured in the Driftless area of Wisconsin by Paul & Ellen and their Amish employees.

We reserve the right to modify or discontinue any design, price, term, color or product offering without prior notification. All orders will ship F.O.B factory unless otherwise noted. Returns maybe subject to restocking charge.

Warranty

Sunny Side Poly offers a limited warranty up to 5 years for residential enjoyment and 2 years for commercial enjoyment.

Our Polyethylene outdoor furniture products will be free of original defects in workmanship and materials. In the event, that a product item needs to be replaced completely and is no longer offered in our collection; an item of similar value and style will be offered.

Additional charges such as labor and freight/handling are not included in this warranty. Normal wear and tare, scratching or chipping of polyethylene, negligence, abuse, staining, fading, chemical misuse, cleaning process used and acts of nature do not pertain to this warranty.

The stainless-steel fasteners are covered as part of this warranty against structural failure. Stainless steel fasteners may rust in certain conditions if not cared for properly; rusting hardware is not covered in this warranty.

Structural failure due to rusting fasteners, damage caused by unauthorized service or repair, fabrication or revisions to original finished product or any attempt to use in a manner other than the purpose for which it is intended is not covered under this warranty. All claims need proof of purchase from a dealer of Sunny Side Poly.
